Hello, my name is Joseph Paik. I'm a senior in Queens college with major in Design. I've loved drawing since I was a kid, and my goal is to do art for a living. I love it when line and shapes come together to form a beautiful design. I like to take apart such a design and try to figure out what it is that makes it a good design. I also enjoy making things with my hands such as illustrations, animations, etc.,

The image is a composite of several screen captures and drawings. At the top, a screenshot of a Google search results page shows a logo with a large 'P' inside an envelope icon. The main area features a light blue grid background with a large, bold, black 'ABOUT ME' title centered. Above this title, a small rectangular frame contains the word 'PAIK' with a large 'X' drawn over it. To the right of the title is a vertical pink line. Below the title is a stylized portrait of a man with purple and yellow skin, wearing a purple t-shirt with a cartoon character on it. To the left of the portrait is a screenshot of the Adobe After Effects software interface, showing a timeline and a preview window with a drawing of two figures. At the bottom right are four social media icons: Twitter, YouTube, Facebook, and Instagram.
